Thematic modules

Lead with Awareness

Develop cognitive flexibility and AI literacy, manage your mental bandwidth effectively, and combine logic with intuition to enhance decision-making.

Lead with Integrity

Apply ethical and inclusive thinking to leadership, and communicate your values and vision authentically to diverse audiences.

Lead Under Pressure

Strengthen resilience and systems thinking, manage stress, and use reflective storytelling to turn challenges into learning opportunities.

Lead the Change

Integrate sustainability, innovation, and vision into clear, inspiring, future-focused leadership communication.

About NEWTON University

NU is one of the top private business schools in the Czech Republic. Offers modern education in management, marketing, economics, and psychology with a strong emphasis on practical application.

Important information

The program will be delivered as a Blended Intensive Programme (BIP). Participants are asked to contribute €80 towards the social program and daily lunches. Accommodation is not included, but we are happy to assist you in finding suitable lodging near NEWTON University.

Why you should join us

Join us to understand the future of entrepreneurship — where technology, social impact, and emerging economies meet. Perfect for students, academics, and practitioners eager to lead and innovate in uncertain times!
