**RESEARCH TECHNIQUES**  
**5 ECTS**

★ 13-17 APRIL, 2026

# **KARABUK UNIVERSITY**

## **ERASMUS+ BLENDED INTENSIVE PROGRAMME**

### **RESEARCH TECHNIQUES**

**Dates: Online Training + 13-17 April, 2026**

**Venue: Karabuk University, Karabuk, Türkiye**

- From 13 to 17 April 2026, Karabük University will host the Research Techniques Blended Intensive Programme (BIP), bringing together students from different countries to explore interdisciplinary research methods applicable to English Language and Literature and beyond.
- Through a blended learning approach, combining online preparation with an intensive on-campus programme, participants will engage in interactive workshops, collaborative research activities, and academic discussions. The programme promotes critical thinking, creativity, and effective use of digital research tools, while encouraging international collaboration and cultural exchange.
