Erasmus+

Intercultural Communication & Teamwork

Blended Intensive Programme (Erasmus+)

Dąbrowa Górnicza, Poland

3 ECTS

On-site: 21-25 September 2026

Online: 16.09.2026 and 30.09.2026

Welcome!

Are you interested in developing your **communication and teamwork skills** in an international environment?

Join our Blended Intensive Programme (BIP) and gain practical experience in intercultural communication, with a special focus on healthcare and health – related contexts.

Work with students from different countries and academic backgrounds while exploring real-life communication challenges in multicultural environments.

About the Programme

This programme combines an online preparatory phase with an on-site intensive week in Poland. Through:

- interactive workshops
- case studies
- cultural exchange activities
- teamwork and group projects

You will explore **how cultural differences influence communication, teamwork and interactions** with patients, colleagues and diverse communities.

What will you do?

- work in international and interdisciplinary teams
- participate in interactive workshops and simulations
- explore intercultural communication in healthcare contexts
- design a creative communication toolkit
- present your projects at the end of the programme

Who can apply?

- students from all fields of study
- especially those interested in: communication, teamwork, healthcare/ social contexts
- openness to intercultural cooperation

Learning outcomes

After the programme you will be able to:

- understand cultural differences in communication
- identify intercultural differences in communication
- identify intercultural misunderstandings
- communicate effectively in multicultural teams
- collaborate in international groups
- design practical communication solutions
- reflect on your intercultural skills

Why Join?

- gain international experience
- work in diverse teams
- experience Polish culture
- receive 3 ECTS
- improve soft skills valued by employers
